

Navy SBIR Transition Program: Small Companies, Big Impact!

Assisting our Small Businesses to Make the Right Connections

Technical Briefs	29 small businesses provided downloadable PDF presentations for online viewing
Tech Talk Views	21 small businesses had voiceover presentations available to facilitate discussions with government and prime contractor representatives
Presentations and Contacts	25 small businesses showcased their technologies to 270 acquisition and technology decision makers, including: 108 government 129 prime contractor 33 others
Marketing Material	A Tech Guide was available pre-event, and participating small businesses have a Virtual Transition Marketplace presence with access to abstracts, technical presentations, quad charts, and company capability brochures
Demo Day	Navy STP Demo Day featured two companies demonstrating their technologies, along with a live demonstration of the STP Virtual Transition Marketplace (VTM)

Snapshots from West 2025

Government Attendees

Prime Attendees

Company	Topic Number	Tech Category
ACSI Labs Inc	N211-082	Human Systems
Blue Storm Associates Inc	A19-071	Battlespace Environments
Burchell Professional Group Inc	N211-057	Air Platforms
FIRST RF CORPORATION	N181-064	C4I
